

# SAVE PROSFYGIKA

*WITHDRAW FROM YOUR PARTNERSHIP IN THE PROJECT BY THE REGION  
OF ATTICA FOR THE "REDEVELOPMENT" OF PROSFYGIKA, WHICH  
INCLUDES THE FORCED EVICTION OF ITS RESIDENTS.*

*WITHDRAW THE EU FUNDING ALLOCATED FOR THIS PROJECT!*

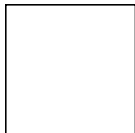

*Prosfygika, May 2026*

*To Themis Christophidou*

We contact you as the director of the European Commission – DG Regional and Urban Policy, who funds the regional plan of Attica region in Greece to the tune of 15 million euros. Your funding is leading to

- the upcoming destruction of the neighborhood of Prosfygika in Athens, 15 Alexandras Avenue
- the expulsion of hundreds of vulnerable families, minors, refugees, people with severe health issues, who will end up in the street helpless without the welfare and treatment of the community
- the death of Aristotelis Chantzis and Suzon Doppagne who are on hunger strike until death to protect the neighbourhood of Prosfygika.

You have the power and the responsibility to stop this funding. The solidarity to the Community of Prosfygika is now international, escalating every day, and so will the pressure until the total cancellation of the fundings.
