

We demand the immediate cancellation of the 15 million euros funding from the EU!

This funding is leading to: the death of Aristotelis Chantzis and Suzon Doppagne; residents of the neighborhood who are in Hunger Strike for the defense of the community

Victory to the hunger strikers!

We will win or we will win!

the expulsion of hundreds of vulnerable families, minors, refugees, people with severe health issues, who will end up in the street helpless without the support and treatment of the community

We demand the immediate cancellation of the 15 million euros funding from the EU!

This funding is leading to: the upcoming destruction of the neighborhood of Prosygika in Athens, 15 Alexandras Avenue
